

Adams-Clermont Solid Waste District

Public Recycling Container Loan Program

Program Description

The Adams-Clermont Solid Waste District has recycling containers available for Adams and Clermont County events. The containers can be loaned to any organization sponsoring an event in Adams and/or Clermont County that would like to offer recycling to the participants. In addition, Adams-Clermont recycling experts are available to help you make recycling a success at your event. You are responsible for making sure the recyclables are collected and recycled appropriately.

Please complete, sign, and date one original version of this application and mail to the address at the bottom of Page 2.

Please describe how the materials will be collected and recycled:

Adams-Clermont Solid Waste District

Public Recycling Container Loan Program

Container Loan Agreement

I, _____, from _____ am borrowing _____ recycling containers from the Adams-Clermont Solid Waste District. I understand that it is my responsibility to ensure that all of the recyclable materials deposited into the containers are collected and recycled. I understand that no other stickers or signs should be affixed to the containers. Further, I understand that the containers should be returned to the District in a relatively clean condition. Should a container be lost or returned significantly damaged I agree to pay \$100 per container that needs to be replaced. Should I fail to return the container (s) by the stated return date I will pay \$25 for every week each container is late.
